Wage Board Declines to Abrogate Working Agreements

RURPRISE TO BOTH SIDES

Conspiracy Charged By Unions' Spokesman-Railroads Seek To Establish Autocratic Control,

Chicago.-The United States Railroad Labor Board rejected the appeal tives for immediate abrogation of all working agreements and also refused authorize a cut in wages in railroad

"It is obvious that the board cannot assume, without evidence of the justness and reasonableness of the agreeeffect on each railroad as of December 81. 1917, that such agreements, rules and working conditions would constitute just and reasonable rules and mads parties to the present dispute," the board announced.

"To make such a decision without evidence and careful consideration would be an abdication of the functions of this board and would frustrate the purposes of the Transportation act. "The hoard must also deny the ren unskilled labor be applied to rail-
